

Welcome to our September newsletter - a roundup of what's to come.

16th September - Start of Autumn Term

Welcome!

We hope that you have all had a great summer holiday and are now ready for a new term at Nursery. It is our pleasure to welcome back our old friends as well as the new starters to Kinder Care Day Nursery.

We will be starting the term with a mini topic called, 'All about me'. During this topic the children will be sharing their interests and backgrounds as a way of getting to know each other and the staff. We will be sharing stories about children starting nursery and helping our pupils to understand the routines and rhythms of the day. We will also be naming feelings and singing action songs such as 'Heads, Shoulders, Knees and Toes' and 'If you're happy and you know it'. For art we will provide the children with plenty of opportunities to create portraits using different media.

If your child has any photos of them at home or with family members that they would like to share with their friends, we would love to see them. Please feel free to share them on Tapestry. Photos are a great way of giving children a starting point for conversations and help them to communicate their own thoughts and ideas.

Important Notice

Please ensure that you lock all gates behind you. We take safeguarding very seriously.

Trips

We are planning lots of trips for the new term. If you have any suggestions of where you would like your children to go please kindly pass this on to management.

Tapestry

You should all have received an email now giving you log in details to Tapestry. I would urge you all to sign up for this as it gives you an insight into your child's time at nursery and also gives you the chance to contribute.

Our Outdoor Provision

The outdoor environment is a rich, dynamic and natural space for learning and development in children of all ages and every child has a right to daily outdoor learning. Therefore, as winter approaches, we would like to request that you ensure your child is wearing suitable clothing such as hats, gloves, scarfs and coats. Children will be having outdoor play throughout the year, this includes the winter so please provide wellington boots for them to wear when they are outside. Please can you make sure their wellingtons are labelled with your child's name.

Reminders

Spare clothes: Please remember to send your child to nursery with spare clothes. Accidents can happen even if they are toilet trained, their clothes may get dirty from messy play or even eating dinner.

Jewellery and suitable shoes: Children are coming into nursery with jewellery on such as bangles and necklaces. This is a health and safety concern. Also, can you please ensure your child only wears shoes which cover their toes.

Absence: If your child is not attending nursery due to sickness or any other reason or expecting to be late, please call and inform the nursery well in advance on the landline number. Please call us on 01217897897.

Dates for your Diary
