

Kinder Care Day Nursery

Welcome to the month of February 2021

2-year checks and all about me forms

If your child has recently had their 2-year check with the health visitor, please see the office staff with your red book so we can log the information in our files. This is so we can offer every child any support they may need. If they haven't had their check, please can you make an appointment with your child's health visitor. Also, we would like to fill in all about me forms for our new children to help us get to know them better. Please see your child's key person for a form, this will then be transferred onto tapestry.

We would like to thank you all for maintaining social distancing and wearing masks when you come to nursery. It's really important that we continue with this good practice for now. Please do make sure when dropping and picking up your child you are wearing a mask.

The staff are doing their utmost to maintain hygiene in the nursery and prevent infection.

Thank you for your co operation

Tapestry

You should all have received an email now giving you log in details to Tapestry. If you haven't signed up to Tapestry can you please text your email address to Kinder Care mobile. I would urge you all to sign up for this as it gives you an insight into your child's time at nursery and also gives you the chance to contribute. If you experience any technical issues, please contact the office and we will be happy to help.

Notice for Collection of Children

Please could all parents come to collect their child by 4.45pm. This is to ensure parents are given feedback and to ensure staff can safely lock up the building by 5.00pm.

Reminders

Spare clothes: Please remember to send your child to nursery with spare clothes. Accidents can happen even if they are toilet trained, their clothes may get dirty from messy play or even eating dinner.

Jewellery and suitable shoes: Children are coming into nursery with jewellery on such as bangles and necklaces. This is a health and safety concern. Please ensure your child only wears shoes which cover their toes.

Absence: If your child is not attending nursery due to sickness or any other reason or expecting to be late, please call and inform the nursery well in advance on the landline number. Please call on 01217897897.

Nursery Gate

We are having to constantly remind parents to shut the gates behind them when exiting the nursery. This is a matter of Safeguarding and will be dealt with as such. We have had to speak to numerous parents. Please be considerate of safeguarding and shut every gate behind you. Please DO NOT allow your children to climb on the gate.

Thank you for your continued support. We hope that you enjoy the rest of the month and have a wonderful festive break. Please visit our website Kindercaresnursery.co.uk
